

## Accept the Challenge DI Summer Camp

from ImagiNation-4-Life, a division of Destination ImagiNation®, Inc. (a 501(c)3 organization)  
Presented locally by Innovation Training and Consulting, Inc.

*Teambuilding, creative problem solving, critical thinking, and innovation—the globally successful Destination ImagiNation® formula in a FUN, high energy, hands-on summer camp!*

- Imagine your DI-ers (and their friends) being able to spend a solid week on wild and crazy Instant Challenges in the middle of the summer!
- Imagine a 1 (or 2) week, intensive, but fun DI training session that will really help to sharpen team and IC skills!
- Imagine it happening *somewhere else*, and NOT in YOUR living room!

***DI summer camps were a huge hit last year, and we're back with more available dates and lots of new challenges for this summer.***

Camp sessions are for a full week of 4 hours each day. They include warm-ups, teambuilding, skills development, Creative Problem Solving Tools, Instant Challenges, performance and task/building challenges. The team building and complexity grows each day, and is perfect for experienced or *future* DI-ers. Come as an individual, with a group of friends, or as an intact team.
